

VOICE CLINICS FORUM

Managing Laryngeal Injury

Thursday 25th February 2021

Call for Papers

The British Voice Association is delighted to invite you to this year's **Voice Clinic Forum** (VCF) which takes place as an online event in the form of three short evening events on 11th, 16th and 25th February 2021. This year VCF is about the multidisciplinary management of scar, sulcus and tricky things involving the vocal folds and addressing singers' rehabilitation following being diagnosed with similar conditions.

The research session will be held on **25th February 2021** and all voice research topics are welcomed.

Guidelines for Authors:

Abstract should be no more than 150 words. Please use the following format: ***Background, aim, methodology, results & conclusions.***

Chosen papers will be presented as an 8-minute powerpoint presentation with extra 2 minutes for Q&A.

Important Dates:

Deadline for abstract submission: **Sunday 7th February 2021.**

Notification of acceptance: **Monday 15th February 2021.**

Presentation date: **25th February 2021** (19.00-21.00).

Deadline for registration to the last session: **Tuesday 23rd February 2021.**

For submission please send to: administrator@britishvoiceassociation.org.uk

If your submission is accepted, registration to the event is required to be able to present your research.

For registration please see: www.britishvoiceassociation.org.uk (Events)

For any enquiries regarding registrations
